PARTICULAR TERMS FOR THE SAAS DESIGN SOLUTION

These particular terms (the "SaaS Particular Terms" or "Particular Terms") govern, alongside with the General Terms, the provision by Frenetic to the Client of the software-as-a-service design solution, as described in clause 1 below (the “SaaS Design Solution”), in accordance with the Order Form entered into by Frenetic and the Client. Therefore, the SaaS Design Solution is subject to (i) the respective Order Form, (ii) this SaaS Particular Terms and (iii) the General Terms (collectively, the “Agreement”). If a capitalized term is not defined in the SaaS Terms, then it has the meaning as ascribed to it in the General Terms.

These SaaS Particular Terms are an inseparable annex and forms an integral part of the General Terms. These SaaS Particular Terms will not amend the General Terms, except for what’s specifically established here, and all of the General Terms’ clauses will remain in force and completely valid for the Parties, unless these SaaS Particular Terms include complementary or different terms to those included in the General Terms.

In case of conflict between the Order Form, the General Terms and these SaaS Particular Terms, the following prevalence order will apply: (i) the Order Form; (ii) these SaaS Particular Terms; and (iii) the General Terms.
